ABOUT LCIT

Now days after passing 12th every student think of doing a course which can settle their career without much expanses. Computer and Laptop Chip Level Repairing Course is a best option for those students. But these courses are much expansive, so for that reason only Laptop Care Institute of Information Technologies (LCIT) has started a short term course in which a student will be given Chip Level Training in Computer and Laptop, Computer Application Computer and Laptop Hardware and Networking Technology. as you all know number of people using computer and Laptop are increasing day by day. But there is not any institute which offers chip level training to students in short term and less fee. But Laptop care is the first and only institute which offer CHIP LEVEL Training in Computer and Laptop in short term. we will train our students in 3/6 Month in which Basic Electronics, SMPS Repairing, Computer and Laptop Hardware Concept, All type of Hardware and Software Solution, Desktop motherboard and Laptop Motherboard Repairing, Networking will be include. this Institute can train their students for real market scenario and bring confidence in them with its practical approach to not only start his own business but also to get the best available placements. One of our unique features is that our students have real field experience during course because we have a service center and our student can practice here.

WHY LCIIT

- ★ **India's one of the best IT Training Institute.**
- ★ **LCIIT is the only Institute which provide Live Practical Training to their students.**
- ★ **100% job* and business support.**
- ★ **Well and Maintain Lab.**
- ★ **Experienced and well trained faculty.**
- ★ **Feed back to guardian of student.**
- ★ **Practice facility available during course.**
- ★ **We have our own Service Center.**
- ★ **Life Time Support for students.**
- ★ **Training by Modern Technical Equipment.**
- ★ **Equipped Lab with CRO, SMD Machine, Diagnostic Card, BIOS Programmer etc.**
- ★ **Quality Training in Less Fee.**
- ★ **More than 80% practical session.**
- ★ **Web Support to students.**
- ★ **An ISO 9001:2008 Certified Institute.**
- ★ **Regd. under Govt of N.C.T of Delhi**

OUR VISION

To Import Quality Technical Training, this will not only enhance knowledge but will also ensure a career.

OUR MISSION

Our Main Mission is to pull up lower and middle class people by giving quality IT Training.
